SKILLS
COMMUNICATION

“Responsible Investment Live” will gather European asset owners to discuss and develop their understanding of suitable and sustainable ESG policies. Alongside other experts such as Research Professionals, Market Authorities, Regulators, Advisors/Law Firms and Asset Managers, the conference will address the current questions, challenges and ambitions to ensure a responsible future.

To accelerate the ESG momentum in Europe, Investors must act at a cross-border level.

● 170 European Institutional Investors and decision makers, leading the show

● An exchange between investment leaders with cross-border experience and shared ambitions

● High-level expert talks along with engaged and uncompromising debates

● An event of the Invest Week Paris gathering 2,000+ international Institutional Investors and industry experts

The traction power of Invest Week Paris:

Since 2019, the major French Investment Market players (AF2i, AFG, Paris Europlace, France Invest and l'Age) have teamed up to promote Paris' international dimension as a financial hub and launched Invest Week Paris, a week dedicated to international investors.

This year from October 5-9, 2020 Invest Week Paris will gather 2,000+ international senior investors and other high-level industry experts to foster debate among investment

Limited access

Due to the conference's limited capacity, access is reserved in priority to C-Level investment decision makers (Investors' MDs & Directors and Investment Firms' CEOs, CIOs, CFOs & Heads of Investment).

Free for senior investment decision makers.

Entry fee for other participants : 600€ for early birds (until D-30), 700€ for last month registrants, 400€ for local access in video room and 200€ for remote video participants.
